EXCHANGE SEMINAR

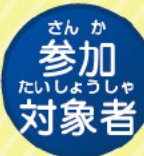

Free of Charge

Exchange Seminar event will be held at 8 different places nationwide for all foreigners working in care facilities. In this event you may consult about work matters, daily life, Japanese language, etc.

In addition, you may also communicate with other participants and enjoy some refreshments.

Our goal is to be able to provide maximum support for all participants who come to this event.

- All foreigners who work at care facilities (regardless of residence status).
- All foreigners who learn about nursing care and welfare fields, or foreigners who are considering to continue their studies.
- Everyone who are considering to accept foreigners to work or learn about nursing care and welfare fields.
